The directors of the Stanford Knights of Pythias Fair have decided to renew the colt futurity stake and make it worth \$100 this year. The money will be divided as follows: \$40 to first, \$20 to the second, \$15 to third, \$12.50 to fourth.

Prohibition Doesn't Prohibit. Mark Twain once had a few words to say about prohibition. "I am a friend of temperance and want it to succeed, but I don't think prohibition is practical. The Germans, you see, prevent it. Look at them. They have just invented a method of making brandy out of seaweed. Now what chance will prohibition have when a man can take a tip-saw and go out and get drunk with a fence rail? What is the good of prohibition if a man is able to make brandy mashes out of the shingle on his roof, or if he can get the delirium tremens by drinking the legs off of his kitchen table?"—Strong's Magazine.

"Peter," a young farmer, will add his efforts to those of others for your entertainment at the Madison Institute senior play. Of course you will be there.

"The Trail of the Lonesome Pine."

"The Trail of the Lonesome Pine," which comes to the Lexington Opera House Monday and Tuesday, March 3rd and 4th, and matinee Tuesday, is a virile romance that in book form has been read by three million and more book-lovers. Eugene Walter's dramatization is one that warms the blood and stirs the emotion. It is a story of romantic love with just a requisite tinge of the feudal spirit of the Virginia hills to give it bubbling color. In part of June, the primitive, sweet, wild mountain girl, Miss Isabelle Lowe has a role in which she will make a direct appeal to all who have already met June in Mr. Fox's original story. The play is given a beautiful production and its long runs at the Boston Theatre and Amsterdam Theatre New York, were marked by the largest business of late years.

One of the most capable casts ever seen outside of New York will appear at the Lexington Opera House.

## Shame! Shame!!

At the last term of the Madison circuit court there were 16 cases asking for divorces—12 of them white, four of them colored. This ought not to be and this has never occurred before—since the county was organized. What's wrong?

We have in Richmond eight or ten churches, a Normal school, Madison Female Institute, Caldwell High School, a colored high school and a court-house and it would seem that all these influences ought to prevent such a state of things as our docket shows. There is certainly a remedy for this evil. How would this do?

Before any county clerk of this State shall issue a marriage license he shall require the persons asking for such license to produce a certificate from the county judge, in which such application is made, certifying that they are persons of good habits and in the habit of lawful age, sound in mind and body, and that the man so applying has a trade, occupation or profession by which he can support himself, wife and family.

This would certainly prevent hasty and inconsiderate marriages and therefore greatly lessen the applications for divorce. Our people must begin to think and to act.

Something must be done to correct this growing evil.

When Burton Holmes recently gave his celebrated travelogue on "Panama" at Orchestra Hall, Chicago, he was seriously interrupted by continual coughing of the audience. Many a good sermon, lecture or concert, is spoiled in the same way. No one annoys willingly and if people with coughs, colds, hoarseness and tickling in throat would use Foley's Honey & Tar Compound, they could quickly cure their coughs and colds and avoid this annoyance. It is a splendid household medicine and contains no opiates. For sale by all druggists. adv 1m

## New Primary Law.

A dispatch from Frankfort says that candidates before the August primary have begun to deluge the Attorney General's department with inquiries about the primary law. The two questions that confused them most are with regard to the signatures to their petitions and the method of voting. Many of them are in doubt whether they must have the signatures of a certain per cent of the voters in every precinct in their county. They have been informed that where the law says a certain per cent of the voters in a county, they need pay no attention to precinct lines and may get their signatures from any part of the county. These signatures must be secured not more than 90 nor less than 70 days before the primary. Others wish to know whether the voters affiliated with one party may by writing on their ballots vote for a candidate of another party, to which the answer is "No." The same answer is given to those who ask whether they may write on the ballot the name of a person other than a candidate nominated by petition.

Would Go 200 Miles to Hear Vance Cook. Fair Park Auditorium was as hot as the hayloft of your grandfather's barn last night, but a crowd turned out for Post's day.

In introducing the speaker of the evening, Prof. Hiram told how a gentleman from Willis Point had come to the box office that day, saying he had come in especially to hear Mr. Cooke; that he had heard him years before and would willingly walk a hundred miles and pay \$200 any time to hear him again.

In responding, Mr. Cooke said he could readily understand how a man might walk a hundred miles to hear him, but to pay two hundred dollars—no, no!

Then Mr. Cooke launched into an hour and a half of poetry, pathos and humor, addressing a most responsive and cordial audience.

At the conclusion of the evening, the man from Willis Point made a correction. He raised the limit to two hundred miles, which he was willing to travel to hear Cooke again, but thoughtfully substituted riding for walking.—Dallas News.

Mr. Cooke will lecture at the Normal Saturday, March 1.

Causes Much Disease  
Advice about Stomach Troubles  
and how to relieve them.

Don't neglect indigestion; for it may lead to all sorts of ills and complications. An eminent physician once said that ninety-five per cent of all ills have their origin in a disordered stomach.

Our experience with Resall Dyspepsia Tablets leads us to believe them to be one of the most dependable remedies known for indigestion and chronic dyspepsia. Their ingredients are soothing to the inflamed membrane of the stomach. Rich in Pepsin and Bismuth, two of the greatest digestive aids known to medicine, the relief they afford is very prompt. Used persistently and regularly for a short time, they tend to relieve pains caused by stomach disorders.

Resall Dyspepsia Tablets help insure healthy appetite, aid digestion, and promote nutrition. As evidence of our faith in them, we ask you to try them at our risk. If they do not give entire satisfaction, we will return the money you paid us without question or formality. Three boxes, 50 cents, 50 cents and \$1.00. You can buy Resall Dyspepsia Tablets in this community only at our store:

Bosworth's Bondsman Question Pension Law.

Henry M. Bosworth, State Auditor, has asked Attorney General Garnett for an opinion as to the constitutionality of the Confederate Pension Act, passed by the last General Assembly. The act provides for pensions for veterans of the Civil War who fought for the Confederacy and if decided to be constitutional, will mean an annual expenditure of \$400,000.

The question of the constitutionality of the act was raised by Auditor Bosworth's bondsman. Owing to the depleted condition of the State treasury none of the pensions have been paid, although over 500 have been allowed. Captain W. J. Stone, of Kuttawa, has been appointed pension agent under the act and has put the act into operation. Had there been sufficient money in the treasury to pay the pensions, it is doubtful if the constitutionality of the act would ever have been attacked.

The death of Judge D. B. Redwine, of Jackson, Ark., removes a conspicuous figure. When thirty years old he represented the Third District in the Legislature and was prominent in the deliberations of that body. In '90 he was elected county attorney of Brantley. He served two years in that capacity and was nominated for circuit judge, defeating Judge H. C. Lilly, after an exciting race, by thirty-six votes. The district was strongly republican and Judge Redwine's victory was considered a remarkable one. He was then only thirty-six years old. He was re-elected, defeating Judge G. W. Gortley. He declined to make the race for a third term, but on the death of Judge Robert Riddell, again became a candidate and defeated Judge James P. Adams, and was held in the office when death claimed him. Judge Redwine was chairman of the convention that nominated William Goebel Governor and came into much prominence on that occasion. He was 55 years old, a splendid jurist, a pleasing companion and a man of much force of character.

Two girl friends of Miss Helen Taft, those who have been thrown with the lovely young girl in her life in Washington, have made her a farewell gift in the form of a magnificent gold hand bag. The bag is heavily studded with diamonds, Miss Taft's birthstone, and was made to order by Tiffany. Miss Taft has spent almost her entire girlhood in the National capital, her father going there in '90 as Solicitor General of the Department of Justice, and being there ever since, save for the four years he was Governor General of the Philippines. Miss Taft is one of the most popular girls who have ever been in the White House.

## "Pittsburgh Perfect" Fence

Why the Electric Weld is the Most Effective Fence-Joint made

Electrically welded joints eliminates innumerable exposed wire ends, and does away with sharply and tightly bending one wire against another, which cracks the galvanizing. The Electric Weld makes every ounce of wire count for strength and durability --- no wasted wire, no useless weight dragging down the fence. Electricity is the only medium which truly amalgamates metals --- makes two wires one. As we use it, the galvanizing is piled around the joints, producing a one-piece fabric with absolutely dependable joints. Electrically Welded fence-joints (patented) are used only in "Pittsburgh Perfect."

Made in Different Styles for FIELD, FARM, RANCH, LAWN, CHICKEN, POULTRY and RABBIT YARD and GARDEN

Every Rod Guaranteed

Ask your dealer for "Pittsburgh Perfect" and insist on his furnishing it. Do not allow him to persuade you that some other fence is just as good. If he doesn't sell it, write us direct.

held in Louisville this week. The hon-

preciated by our townsman and he is  
being heartily congratulated by his  
large circle of friends here. Mr. Perry re-  
turned last night and in conversation with  
a Climax representative he said: "We  
had a great meeting, although only about  
30 of the 90 Rexall druggists of the State  
were present. I was greatly surprised  
when I was nominated and elected pres-  
ident, and was so overcome by the hon-

accepting the office and thanking those  
who honored me." Mr. Perry has great

their remedies, of which he sells great  
quantities.

## DEATHS

Mrs. John Spears died at her home at  
Nicholasville first of the week, aged 52.  
Before her marriage Mrs. Spears was a  
Miss Duncan and she had many friends  
and relatives in this county. She was a  
bright, lovable woman and a good, con-  
sistent christian has gone to her reward.  
A number of her relatives from this city  
attended her burial.

Verily in the midst of life we are in  
death. Late yesterday afternoon, Dr.  
G. W. Evans was enjoying a game of  
"hearts" with several friends in the  
Club Room of the Masonic Temple, and  
in the twinkling of an eye his light went  
out. There was not a struggle nor a  
groan. His head dropped to his breast,  
the hand of death touched him and he  
slept. The body was removed to his  
late home on Aspen avenue, his wife  
having been prepared to some extent for  
the shock by thoughtful friends. While  
the blow was terrific to the wife and  
children, Dr. Evans' death was not a  
great surprise to them, as for some  
years he had suffered from a heart trou-  
ble. He was in fine spirits yesterday af-  
ternoon when he met with his friends,  
as was frequently his custom, to enjoy  
his favorite game. He talked while he  
played, and was seemingly greatly en-  
joying himself, when the final summons  
came.

Dr. Evans is survived by his wife, who  
was Miss Mary Spencer Smith, and six  
children—Mrs. T. H. Pickles and Mr.  
L. P. Evans of this city; Messrs. George  
W. Evans, of Tucuman, N. M.; Joseph  
and William Evans, of Panama, and  
Overton Evans, of Cincinnati. The lat-  
ter arrived this morning.

Dr. Evans was 70 years old on the 5th  
of this month, having celebrated the oc-  
casion by having a number of his friends  
with him and making it pleasant for  
them. For years he had been a con-  
stant member of the Baptist church and  
a regular attendant at its services. Dr.  
Evans practiced medicine in the For-  
tune section for many years, but moved  
to this city some twelve or fifteen years  
ago. During his sojourn here he has  
given more of his time to the upbuild-  
ing of Richmond than to his practice.  
He was responsible for several additions  
to the city and pushed to completion  
many of her enterprises. He was a pub-  
lic-spirited man and a lover of his home  
town, and all in his power for its  
furtherance.

Dr. Evans was a highly educated, in-  
teresting man. He was well posted on  
the questions of the hour and a ver-  
itable source of information. He will be  
missed by every person in Richmond  
and not soon will they recover from the  
shock of his sudden death.

A good man has gone to his reward.  
Let his good example be emulated.  
Funeral services will be conducted at  
his late home at 5 o'clock Saturday af-  
ternoon by Dr. C. C. Marshall, after  
which all that is mortal of the splen-  
did gentleman will be consigned to mother  
earth in Richmond cemetery.

## MARRIED

The marriage of Miss Myrtle W. Hor-  
st, of Nicholasville, to Mr. H. F. Orr,  
of Pennington Gap, Va., was solemnized  
Wednesday afternoon at the residence  
of Rev. L. L. Calhoun, of Lexington.  
The bride is one of the most attractive  
girls of Jessamine county and is daugh-  
ter of Mrs. Jas. A. Hogan.

In the week of martyr and crash of  
worlds we failed in our last issue to  
make mention of the marriage of our  
old friend, Capt. W. T. Orr, of this  
city, to Miss Kate Hill of Williamsburg.  
The happy event took place in this city  
Thursday evening, and Rev. J. N. Cul-  
ton officiated. The bride, who is a niece  
of Col. R. D. Hill, U. S. District At-  
torney for Western Kentucky, is said to be  
a charming and attractive lady, while  
we all know that Mr. Orr has only one  
fault and that is he will vote the repub-  
lican ticket. He is a mighty clever man  
however, and so long as he does not  
wander off after the Bull Moosers we  
feel that we can forgive him. The Oll-  
max editor, who has known the Captain  
for a quarter of a century, extends to  
him and his bride his best wishes, as  
well as those of the Climax, and hopes  
that all the good things needful will  
come to him and his. Captain and Mrs.  
Orr will make their home in this city  
where he has lived for a number of years  
and where he has many friends.
